# JANUARY

- Even early in January as Christmas holidays. We go to the grandparents. At the end of the holidays compose a Christmas tree. Then back to school and learn. I love January because he can take the last snow, and yet I love him because, as I have Day of January 19.

# JULY, AUGUST

- For July and August I am looking forward, because the holidays begin. Over the holidays I go to Uhrovec to grandparents. Grandfather helping in the workshop and grandmother in the kitchen or jump into the trade. At the end of August with family and friends go on vacation to an exotic kind of country or mountains.

# SEPTEMBER

- Second in September to go to school. Tasks or do not give us but now they have had enough. We also have enough projects. In early September, the school can get a lot of units. This year we picked up on Sept. 6 due to reconstruction of schools.

# NOVEMBER

- I like November. At the end of August and early November is one week holidays. Last day of vacation is all saints day. I usually during the holidays at home. Then she goes back to school. This year it was from Friday to Tuesday. Tuesday we went to school only three days it was for the best.

# DECEMBER

- December is my favorite month. I look forward to two weeks for holidays and gifts. Over the holidays with her mom bake gingerbread. December 23 Christmas tree build. Putting the tree enjoy. It's my favorite month because because we are all together.

# A Year in My Life

November

my birthday and Halloween celebration  
and a stained

September

I buying fishis then I work to  
the park and there I played  
football

August

One day I go to the arena can give  
some great advice, I was all by myself,  
and some me I'm gonna be from  
cruel grass

April

I go to the school and school bus  
to the center to Berlin when I return  
I will be the ready squares

June

might come on to team make friends  
always looking forward to it but  
blair man to call
