

# Jobs in town

1. In my town people do teachers; doctors; policemen; fireman; shop assistants; taxi drivers; vets; postman; lorry drivers; waiters.
2. My friend is a teacher - she works at school. She teaches English small children. She likes teaching because she can give a lot of new information. She doesn't like it because ~~something~~ sometimes it is very difficult to work with small children.
3. NATTALIA: My classmate wants to be a lawyer, because she wants to ~~earn~~ earn a lot of money. SAMO - my other classmate wants to be a chef in famous and luxury restaurant.

# My Job

Hi. My name is Rast'o. I am 13years old. My job is postman. I am doing it since 9years. My job is boring, but sometimes it is funny. I like my job, but I am sometimes tired.

The End

---

# Jobs

In our town people are doctors, teachers, directors, shop assistants, drivers, hairdressers, postman.....

My name is John. I'm builder. I work on building from Monday until Friday. I build houses, shops, skyscrapers or their repair. I work from 9 to 5. I always waiting for the other in my job. It is good job, because We help people that they have house, flats, but We get nice money.

# Today's clothes

Today's people wear colorful and modern clothes.

Today fashion has returned from the twentieth century. On T-Shirts people wear characters from fairy tales as Mickey Mouse or Hello Kitty or Snoopy.

Trousers are colorful and torn.

Earrings are long and heavy or small and funny.

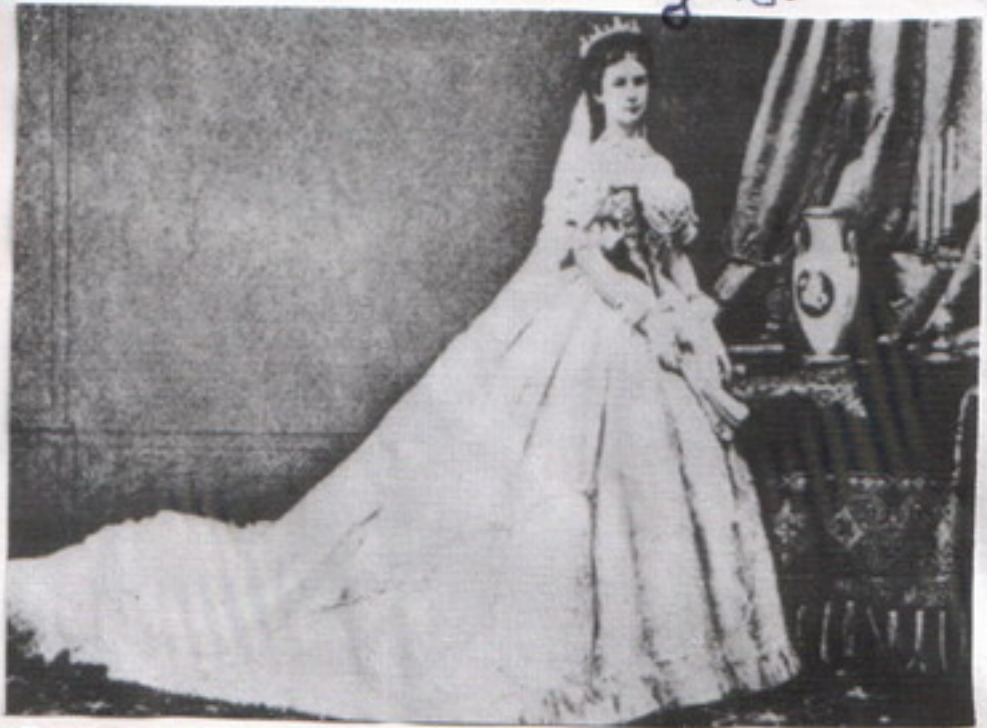

# Unfashionable clothes

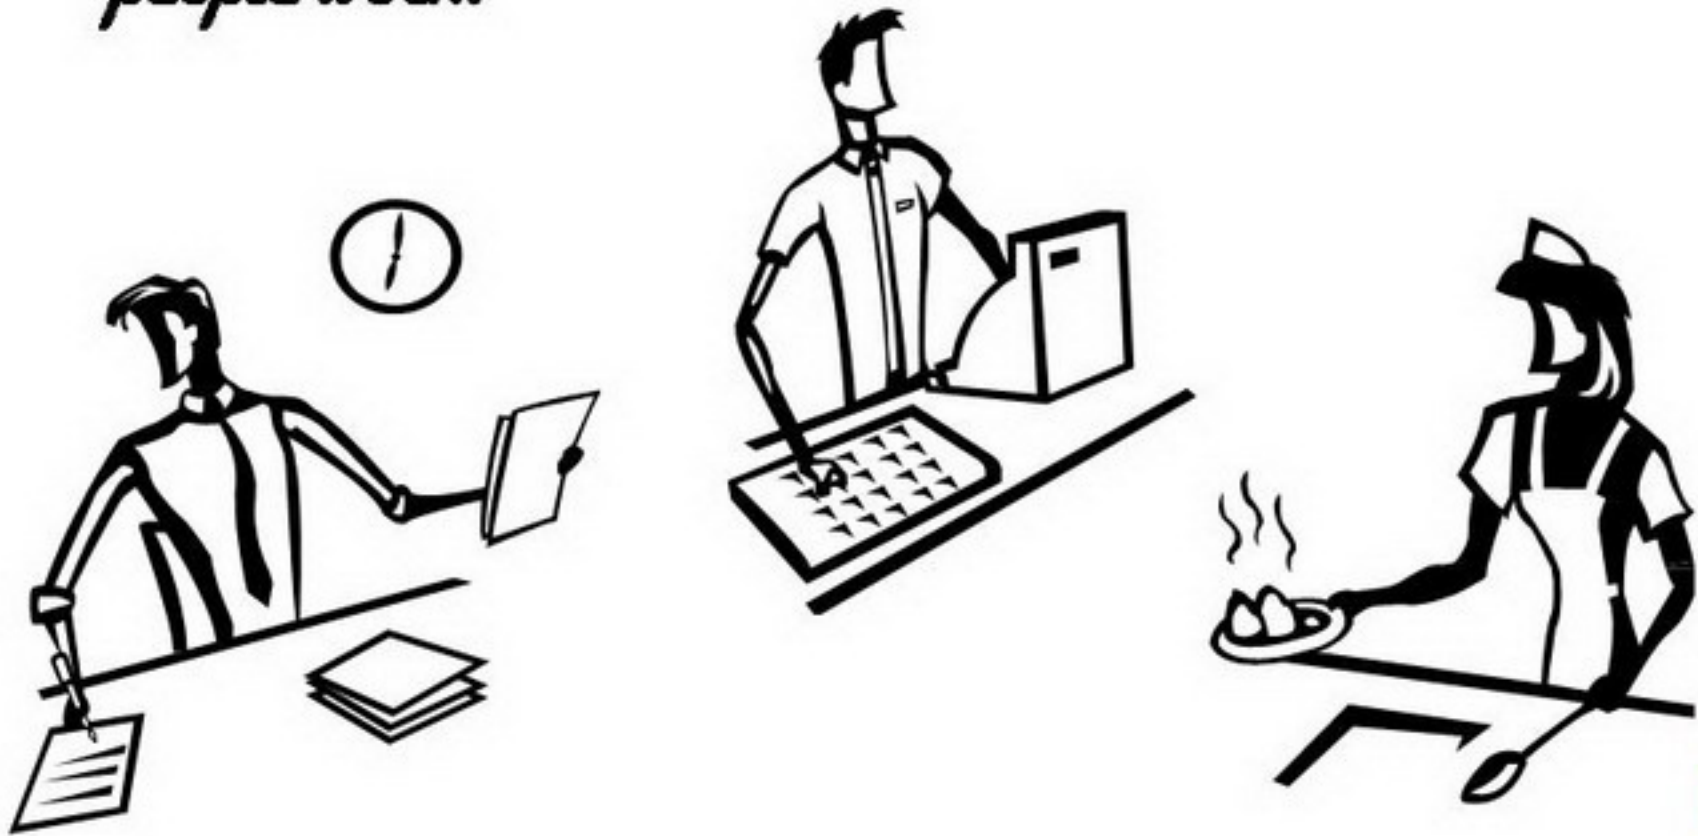

This clothes people wear in the Middle Ages and modern times.

Clothes are very uncomfortable and big. People can't move and walk.

Women's dresses were sometimes three layers.

*People are doing normal jobs in our town.  
They're hairdressers, cleaners, waiters and more.  
There's a lot of offices, shops and factories where  
people work.*

## An architect

My name is Michaela Škvarová. I am an architect. I travel around the world. I like this job because I need a many and I meet lots of people. This job is great! I travel every month. I work everytime.

*My work is very interesting.*

□ In our town people are doing absolutely normal jobs as repairmen, teacher, waitress, chef and other.

□ In our town are factories, so there are some workers and dressmakers in our town.

# Lucy Williams

---

- I: Hello. What is your job?
  - L.: Hi. I'm a designer. I design clothes.
  - I: When do you work and where do you work?
  - L.: I work for Quelle. I work from 8:30 to 3:00 pm.
  - I: What do you think about your job?
  - L.: I think my job is Ok, because I don't go to work everyday. I don't go to work when I don't what to do. As when we have published a catalog.
  - I: Thank's for the interview. Bye!
  - L.: Bye!
-

# Jason MCKee

---

- I: Hi. What's your job?
  - J.: Hello. I am a vet.
  - I: When and where do you work?
  - J.: I work in a private clinic. This week I have the afternoon shift.
  - I: What do you think about your job?
  - J.: I like it but I don't like when I have the night shift. It's very tiring.
  - I: Thank's for the interview. Bye-bye!
  - J.: Goodbye!
-
